District Attorney's Office will take precedence over the Federal charges. [REDACTED] did state that if the Kings County authorities appear to be "dragging their feet" in the prosecution of the subjects, that the Federal Government would most likely review the case and if necessary, proceed with prosecution without waiting for local authorities to act. b6 b7C

Because the captioned case will not be in a prosecutive status for an extensive period of time, the NYO is placing this case in a pending inactive status.
